Receptionist: Hello. Do you have an appointment today?
Edna: Hi. Yes, I do. I have an appointment with Doctor Lee.
Receptionist: Doctor Lee. Okay. Are you Edna?
Edna: Yes.
Receptionist: Okay great. Edna, do you have your care card with you today?
Edna: Yup.
Receptionist: Good.
All right. Great. Thank you. You can sit over there. The doctor will be with you in a minute.
Edna: Okay. Thank you.

Doctor Lee: Hi Edna.
Edna: Hi.
Doctor Lee: How are you?
Edna: I'm okay. Thank you.
Doctor Lee: So. Okay. I see you are here for a check-up.
Edna: Yes.
Doctor Lee: Okay. Is everything fine?
Edna: Yes.
Doctor Lee: All right. Do you have any problems or changes in your health?
Edna: Everything is fine.
Doctor Lee: Are you sleeping okay?
Edna: Actually, I'm having problems sleeping.
Doctor Lee: Hmm. Do you have a lot of stress in your life?
Edna: I don't think so.
Doctor Lee: Well, you should try to exercise more often. And I will give you a prescription for some medicine to help you sleep better.
Edna: I'd rather not take medicine. I'll try to exercise more.
Doctor Lee: Well. Take the prescription just in case.
Edna: Okay.
Doctor Lee: Do you have a healthy appetite?
Edna: I have a healthy appetite. Yes.
Doctor Lee: That's great.

(wash and dry hands)

Doctor Lee: Okay. Please sit on the table.

Edna: Okay.

Doctor Lee: Okay. We're just going to listen to your lungs. Okay. Can you breathe in? And breathe out. And breathe in. Breathe out. Breathe in. Breathe out. Good. That's great.

Doctor Lee: Okay Edna. Now I want to check your throat and your ears. Okay?

Edna: Okay.

Doctor Lee: Can you um... Can you open your mouth and say "Ah".

Edna: Aah.

Doctor Lee: Good. Can you turn your head left please? Let's take a look. Okay. Good. Can you turn your head right? Oh yeah. Very good. Good. Good.

Doctor Lee: Okay Edna. I want to take your temperature. Open your mouth. Good. Close your mouth. Okay. Hold this and keep it under your tongue. Good. That's normal.

Okay Edna. I want to check your pulse. Roll up your sleeve please. Bend your elbow.

(clock)

Good. That's great.

Okay Edna. I want to check your blood pressure. Roll up your sleeve please. No. A little higher. Is that okay?

Edna: Mm hmm.

Doctor Lee: Tight enough?

Good. That's normal.

You can roll that sleeve down.

Okay Edna. I want to check your weight. Step on the scale. Good.

Okay. Good. Step off please.

Okay Edna. Everything looks great. Please take this to the lab and they will check your blood.

Edna: Okay.

Doctor Lee: Now, do you have any questions?

Edna: Yeah. When should I get a mammogram?

Doctor Lee: Well. The recommended age is 50, but here's some information and a phone number you can call.

Edna: Okay.

Doctor Lee: Anything else?

Edna: When do I get a pap smear?

Doctor Lee: Let's see. Okay. You had one last year, so you're okay until next year.

Edna: Okay.

Doctor Lee: Well, if that's everything, we're done here Edna.

Edna: Okay. Thank you.

Doctor Lee: Okay. So I'll see you next year.

Edna: Okay.

Doctor Lee: And if there are any problems, just call the office and make an appointment.

Edna: Okay.

Doctor Lee: Okay.

Edna: Thank you.

Doctor Lee: Bye bye.
