

At the grocery store

Dialogue:

Edna: Hi Veronica. Are you ready to go grocery shopping with me?

Veronica: What do you need to buy?

Edna: I need yogurt, orange juice, toilet paper, laundry soap and tomatoes.

Veronica: Ok. Let's go in.

Edna: We need to go to the Dairy section for the yogurt.

Veronica: Here it is.

Edna: We also have to go to the Juice section for the orange juice.

Edna: Which one do you like?

Veronica: I like this one better.

Veronica: We need to go to aisle 8 for the toilet paper.

Edna: I think that's over there.

Veronica: This one's on sale.

Edna: What about the laundry soap?

Veronica: Oh, that's right here.

Veronica: Let's go to the Produce section for the tomatoes.

Edna: How many do you want?

Veronica: Just a few.
