

## INVITING A FRIEND OUT

2 friends (male or female ?)

R= Radeka (Theresa)

M= Mari (Chelsea)

4 video clips- 2 accepting the invitation and 2 declining (I've done a few extra to choose from...)

Hi – let's use video 1 & 3 for accepting. And videos 5 & 6 for declining.  
I actually ended up changing them a lot just so there is more of a pattern. Now each video includes a "When is the \_\_\_?" question (except the last one.)  
And everyone is saying How are you instead of How's it going?
