**You can arrange for your students to work in groups and interview some ISS staff. They can present the information to the class.**

**These are the questions I used for the job information interviews in the videos, but you could brainstorm a list of questions with your students.**

1. What is your job?
2. Where do you work?
3.
  - a. What do you like about your job?
  - b. What do you dislike?
4. How many hours do you work a week? What are your hours?
5. What is the starting salary for this job?
6. Do you get any benefits? What benefits do you get?
7. How long have you worked there?
8. How are your boss and co-workers?
9. What are the duties for your job?
10.
  - a. How did you find out about this job?
  - b. What did you do to get this job?
  - c. How did you prepare your resume?
11.
  - a. What education or special training did you need for this job?
  - b. What other education or special training do you have?
  - c. What experience did/do you need for the job?
  - d. What skills did/do you need for this job?
12. Why do you think you got this job? (Why did they choose you?)
13. Did you do volunteer work? Do you do volunteer work now?
14. Who were your references for this job?
15. Where are you from?
16. How long have you been in Vancouver?
17. Why did you choose this job?
18. What kind of job would you like to have in the future? Why?
