Problems with a Neighbour - Part 1

(Edna knocks on the door. Brad answers.)

Edna: Hi. I'm Edna. I'm your next-door neighbour.

Brad: Oh, hi. How are you?

Edna: I'm good. I was wondering if I could ask you a favour.

Brad: Yes. What is it?

Edna: Sometimes late at night I can hear your TV in my bedroom. I was wondering if you could turn it down a little.

Brad: Oh, I'm sorry about that. You see I have a hearing problem. Sometimes I don't realize how loud my TV is.

Edna: Oh, it's perhaps because we share an inner wall. If you move your TV to an outer wall, I probably won't hear it.

Brad: That's a good idea. I'll try it and see if it makes a difference.

Edna: Okay, thanks. Have a nice day.

Brad: You too. I hope my TV doesn't bother you again. Let me know if it does.

Edna: Ok. Thanks. See you.

Brad: Bye bye.

Edna: Bye.

Problems with a Neighbour - Part 1

Listen and circle the best answers.

1.	Where	does F	dna	live?
⊥.	AN LIGHT	uves L	unu	11 4 6 5
