Problems with a Neighbour - Part 2

(dog barking, Edna knocks on door. Janis answers.)

Janis: Uh huh.

Edna: Hi. I'm Edna. I live across the street from you.

Janis: Yes. Is there a problem?

Edna: I have a problem with your dog.

Janis: Well if she's barking too much, there's nothing I can do about it.

Right, honey? Right, honey? Oooh.

Edna: No. She keeps pooping on my lawn.

Janis: That's not my dog. Laika doesn't poop on people's lawns. And I always

clean up after her.

Edna: Oh, I'm sure it's your dog. I saw her several times pooping on my lawn.

Janis: Listen Elna, or whatever your name is, it's not my dog. Come on Laika,

let's go.

Edna: It was your dog.

Janis: I'm sorry lady.

Edna: Unbelievable.
