

CLB 2 – September Question

Name: _____

Date: _____

Multiculturalism

Canada is a big country with people from many places. These people have different cultures, languages and traditional food. In Canada we must follow the laws, but we live together and share our cultures with other people. We also celebrate other cultures as well.

Circle a or b

Being Canadian means _____.

- a) forget my culture and country
- b) keep my culture and obey Canada's laws
